WORK EXPERIENCE

[BPOSeats](#)

Mandaue City, Cebu

Full Stack Web Developer

September 2023 - Present

- Developed scalable application features using Vue.js, Django, Redis and PostgreSQL resulting in increased efficiency and maintainability.
- Pioneered the development of coachmarks/wizards feature, providing users with intuitive guidance to navigate through complex applications such as [hqzen](#) and [scalema](#), thereby enhancing user engagement and satisfaction.
- Conceptualized and implemented a negotiations page, integrating a messaging feature within the application framework to facilitate real-time business proposal discussions, empowering users to negotiate terms efficiently and dynamically adapt to evolving requirements.
- Integrated Vue and Django unit tests into automated pipelines, reducing deployment failures to production by 80%.
- Actively participated in agile methodologies, contributed to team meetings, and rigorously conducted unit tests to maintain high code quality and ensure continuous delivery of optimal solutions.
- Spearheaded fullstack bug fixing initiatives, ensuring the seamless operation of web applications by addressing intricate technical issues and enhancing overall user experience.
- Debugged code, resulting in a significant decrease in bugs and contributing to a 65% increase in system availability.
- Assisted in developing an invoicing permission feature, providing granular access control, and preventing potential unauthorized accesses.

[Wrytopia](#)

Cebu City, Cebu

Lead Front-end Web Developer (Freelance)

August 2023 - February 2023

- Collaborated with the marketing team to create highly engaging landing pages for promotional campaigns, resulting in increase conversion rates.
- Collaborated with designers to develop visually appealing and intuitive user interfaces for a seamless browsing experience.
- Utilized Vue.js for efficient application development and seamless integration of UI components
- Resolved front-end related issues, providing timely support and ensuring a smooth browsing experience

EDUCATION

[University of the Philippines Cebu](#)

Cebu City, Cebu
